

## **Inventory / equipment list**

This is not an exhaustive detailed inventory. It is simply a list, room by room, of the furniture and equipment that will be available to you at le Claouset, and there may be slight variations.

If anything on here is missing when you arrive, or you require anything which is NOT on this list, let us know and we can usually provide it immediately.

You will of course be responsible for all equipment, furniture and the fabric of the house and pool area.

Please also note the list of basic consumable items we give you for free to get you started when you arrive. It appears below the main list.
